Hi Ben,

It looks like Michelle also included you on the email, but wanted to check in so we could coordinate our feedback. I'm out after this week until Jan 3, so will aim to get my review done by Thurs. Do you have an estimate of when you think you could get the review done so I can let Michelle know when to expect our comments?

If you'd like to send me your comments I will merge them with mine and send them to Michelle.

Thanks!

Subject: Deschutes TMDLs QAPP

Miranda and team,

We've drafted the QAPP for the Water Quality Modeling for the Deschutes River, Percival Creek, and Budd Inlet Tributaries TMDLs. Let us know if you want to schedule a time to discuss the QAPP and next steps after you've finished your review.

Thanks,

Michelle
